

THE DOLLAR CUP: PRESENTED BY LUMINA

Offering a Bespoke Experience

Teams have competed for the Dollar Cup from 1978 to the present day. A much-loved medium goal tournament, showcasing the best of British polo talent at the home of British polo.

The Dollar cup was given by Lt Col Peter Dollar (1899-1987), a 6-Goal player who had served in the 4th Hussars during World War II and ended up in Colditz. For many years, a staunch supporter of Cowdray Park, he played for the victorious home team in the 1958 British Open for the Cowdray Gold Cup.

In 1949, he had been a reserve in the British team in the 24-Goal International in Buenos Aires and his numerous victories also included the Pairs International and at home, the Cowdray Park Challenge Cup and the Midhurst Town Cup.

Cowdray Park Polo Club is delighted to announce Lumina as presenting partner of the Dollar Cup 2026. Lumina's liquid collagen system was created for riders, for athletes, for professionals with long days and for anyone who wants their body to work better.
